Helpful Hints

1. This Map's INDEX can be found on the preceding pages.
2. Refer to Map "C" to see where this Township lies within Hendricks County, Indiana.
3. Numbers within square brackets [ ] denote a multi-patentee land parcel (multi-owner). Refer to Appendix "C" for a full list of members in this group.
4. Areas that look to be crowded with Patentees usually indicate multiple sales of the same parcel (Re-issues) or Overlapping parcels. See this Township's Index for an explanation of these and other circumstances that might explain "odd" groupings of Patentees on this map.

Helpful Hints

1. This road map has a number of uses, but primarily it is to help you: a) find the present location of land owned by your ancestors (at least the general area), b) find cemeteries and city-centers, and c) estimate the route/roads used by Census-takers & tax-assessors.

2. If you plan to travel to Hendricks County to locate cemeteries or land parcels, please pick up a modern travel map for the area before you do. Mapping old land parcels on modern maps is not as exact a science as you might think. Just the slightest variations in public land survey coordinates, estimates of parcel boundaries, or road-map deviations can greatly alter a map's representation of how a road either does or doesn't cross a particular parcel of land.

LEWIS MORGAN FAMILY

Lewis Morgan was born Oct. 6, 1818, the son of Lewis Morgan, Sr., and Elizabeth (Betsy) Morgan. Lewis, Sr., and Elizabeth were both born in South Carolina (information taken from 1850 census of Owen County, KY). They settled in Kentucky where they raised their family. Their son, Lewis Morgan, Jr., married Harriett Stevenson Feb. 16, 1836, in Owen County, KY. Lewis and Harriett were the parents of twelve children, all born in Kentucky and came to Missouri. Their children were William, John, Maynard, George, Weeden, Perlina, Nancy, Minerva, Eliza, Sarah, Thomas and James.

Lewis was fourteen years old when his family, along with the Stephens family, came down the Ohio River, about 1832, on a houseboat and settled in Kentucky.

About 1880 a number of the Morgan sons and their families moved to Texas County and homesteaded. In June 1885 Lewis and Harriett moved to Texas County and homesteaded near their children in the Stultz community. Lewis died Dec. 16, 1885, and Harriett died Apr. 5, 1900.

They are buried in the Morgan Cemetery. Harriett Morgan sold the place they homesteaded to John Morgan May 21, 1880, containing one hundred sixty acres with the exception of one half acre of land where the present graveyard is southwest of the house on said tract in section 27, township 29, range 9. John Morgan lived in Kenton, KY, at that time.

DAVID WOODRUF LYNCH RS 73

The Lynch family originally settled in Virginia. They were of Scotch-Irish descent. Seventeen year old John Lynch established a ferry in 1757. John Lynch was the son of Charles Lynch, an Irishman who served his identureship in Louisa County, where in 1733 he married Sarah Clark, the daughter of his master. Sometime later he patented land near the present Lynchburg, VA. He had a son David who married Francis Maupin (1793). Kentucky records show David Lynch an immigrant to Madison County in 1779. David and Francis had three sons: John, Dabney and Cornelius. John was born in Kentucky.

John married Sally Woodruf in 1818; she died (1819) when their son David Woodruf was born. Missouri records show John Lynch was an early settler in Columbia, MO, from Kentucky. Later he lived in Howard County near Boonville.

David W. Lynch and Dabney Lynch came to Texas County in 1826. David and Dabney married sisters. David married Millie McKinney (1827-1900) and Dabney married Serena McKinney.

David and Millie settled in their home west of Houston which he had homesteaded. They were the parents of 6 children: Sarah married a doctor and lived in Summersville; Nancy married M. E. Duke and lived west of Houston joining the Lynch homestead; John Sanford married Sarah Francis Bridges from Turley; Susan Jane married Cyrus Perry and lived in Texas and Oklahoma; and James David married Sarah Elvira Hughes and lived at Nagle, MO.

David was a tanner. During the Civil War both Union and Confederate soldiers stole cured hides from him. They also stole horses from his barn. As a measure of safety he moved his family to Boonville or Columbia for the duration. After the war they moved back to their home in Texas County.

David, Millie and their three daughters became charter members of the Houston Baptist Church (1883). Prior to this they drove five miles to Ozark Baptist Church every Saturday and Sunday to worship.

James David (1862-1894) married Sarah Elvira Hughes (1863-1932) Sept. 1883. Their children were: Oscar (1884-1909), Virgil E. Lynch (1886-?), Mellie Ann Lynch (1888-1937), Myrtle Lynch (1891-1923), and Cyrus Floyd Lynch (1893-?).

Mellie Ann married George Elmore 1908. Their children were Katherine (1900-) and Champ Herbert (1911-1929).

Katherine married George Kelley 1932. They were the parents of Mellie Ann and Roger Lee.

Three survivors of David Woodruf Lynch living in Texas County at this time (1988) are: James Tweed (grandson of Nancy and M. E. Duke), Katherine Kelley (granddaughter of James D. Lynch) and Grant Kelley (great-grandson of James D. Lynch).

James Tweed lives on the land originally homesteaded by his great-grandfather and lives in the original house which has had some addition added to it.

WILLIAM FRANKLIN HIGGINS

William Franklin Higgins was born Apr. 27, 1862, near Solo, Texas County. He was the son of Joseph H. Higgins, b. 1838, Mercer County, KY, and Arminda Stigall, b. Dec. 17, 1840, Marion County, TN. Joseph H. Higgins served in Co. K 16th MO Cavalry, died Sept. 28, 1864, Springfield, MO, and is buried in the National Cemetery there., sec. 21, grave 1174. William was raised by his grandparents William and Sarah Elizabeth (Lane) Stigall in the Solo area and was living with them in 1865 near Carlinville, Macoupin County, IL. The Stigall family returned to Texas County after the Civil War and homesteaded 160 acres about a half mile south of Solo on June 11, 1866. William attended school only when work permitted. By age 18 he had moved away from his grandparents and was working for other farmers and in lumber mills.

Sept. 28, 1864, William married Malinda J. White, daughter of John R. and Mary A. (Flint) White-Berry. They had six children, all born near Tyrone and Cabool: Althia Florence, b. Oct. 10, 1885; Walter G., b. Feb. 14, 1888, d. Sept. 22, 1888, buried at New Hope Cemetery; Letha E., b. July 3, 1890; Luther, b. Dec. 17, 1892; Claude Ray, b. Nov. 2, 1895; and Grace Mae, b. May 30, 1898.

In 1890 William owned 83 acres on the north and south sides of Highway H east of Highway 63. His in-laws owned land nearby. William and family moved to Carrollton Township, Boone County, AR, in late 1898 or early 1899, and it was there his wife, Malinda J., died in 1899/1900, as the June 16, 1900, Boone County, AR, census indicates he was a widower.

William and family had moved to Grandin, Carter County, MO, by 1903 where he worked in a lumber mill. It was there that he met and married, on Apr. 14, 1904, in Grandin, a widow, Anna Belle (Davis) Ross, b. June 22, 1868, Fulton County, IL. She and her first husband, James Wesley Ross, b. Mar. 29, 1858, AR, d. Jan. 24, 1901, Grandin, had six children: Inis, b. Feb. 23, 1885; Cora, b. 1886; James Lewis, b. Sept. 7, 1887; Nora, b. 1890; Pearl, b. Aug. 23, 1896; and Sippy, b. Mar. 29, 1898.

William and Anna Belle had three children: Albert, b. Mar. 10, 1905, Grandin; Golda Marie (my mother), b. Oct. 7, 1906, Alton, Oregon County; and Oma, b. Nov. 10, 1908, Alton. As the story was, from both my mother and Aunt Oma, Grandpa always wanted to be on the move, the grass was always greener somewhere else, and at each place, after the land was cleared and the rocks picked up and carried to the fence line, it seemed to them that he would be ready to move again.

William and his family did not stay long in Alton, the 1910 Shannon County census showing they were living in Winona Township, and then they moved to Myrtle, Oregon County, about 1913, staying there until 1919, then moved to a farm six miles north of Corning, Clay County, AR, where he farmed through 1937 when he retired.

William died there Aug. 13, 1939, of cerebral hemorrhage. Anna Belle died May 18, 1951, of influenza; both are buried in the Williams Cemetery, four miles north of Corning on Highway 67 and one-fourth mile east.

William's mother, Arminda, was with her parents in Carlinville, IL, during the latter part of the Civil War. Her second child, John Wesley Higgins, was born Feb. 7, 1864. It is believed he died in infancy. While in Illinois, Arminda married Green B. Johnson Oct. 5, 1865, in Carlinville, and they had one son, Elijah J., b. July 6, 1866, in Carlinville. Arminda next married ca. 1868 James A. Jones, b. 1832 in Virginia. The 1880 Texas County census indicates she had four children by Mr. Jones. Arminda died in Oklahoma in 1936 while living with her son Elijah J. Johnson.

Bill, like they said at the reunion, there are a lot of William,Charles, and Johns in the Stigalls. This is what Steve have on a CD that John Brown gave me in KY. This was the only chart on the CD. Looks like this William is as far back as he has gone. Zane's William wasn't from Tenn. He was in KY and the way I recall it, JJsr and your William were in the same location around the same time.

Charles, Notice that this was sent to me by you via Peggy Chapman in 2002. As you can see, there is a lot more to it. I cannot figure out where this guy comes from in the line. The only William on my chart shows him born in 1915 in Rockcastle City, Ky. and was a brother of JJ. Very confusing.

Stegall Families
(My husband's branch from Pickens County, South Carolina)

Variations in spelling may include:
Steggall, Steagall, Steegal, Stygaul, Stigall, Steagale, Steggle, Steggal, etc.

The following information was provided by Carlton Measels (link below) of Desha, AR.:

STEGALL FAMILY
Possibilities of origin:
"Stegg" meaning mounting upward
"Steg of the Hill" (someone called Steg who lived on a hill - Saxon)
"Steg of the Hall" (someone called Steg who lived in a Hall or Manor - Saxon)

William Steggall (born 1609) sailed on the *Plaine J(o)aane* from London, England on May 16, 1635.
His son was Samuel Stegall (Sr.) (born abt. 1645). His wife was named Jane.
Samuel (Sr.) and Jane had a son named Samuel Stegall, Jr. (born abt. 1698).
Samuel Stegall, Jr. was baptized March 26, 1699. (Information found in the Vestry Book of the St. Peters Parish (Episcopal Church) New Kent and Jane City Counties, of Virginia).
***Note** - there seems to be one or more generations not listed between Samuel Stegall, Jr. and Richard Stegall (b. 7-4-1754), it is most likely that one generation is George STEGALL and wife Agnes BOTTOM (parents of Richard Stegall?) (see below).*
Richard Stegall (born 4 July 1754; died 28 July 1836) lived in Lunenburg and Mecklenburg Counties of Virginia and moved to Montgomery Co., VA in 1784. In 1791 he was residing near Greenville, S.C., and bought land there in 1793 and 1798.
Richard married possibly three times:

There has been some speculation about the order of Richard's three wives - but one thing is known for sure, and that is that his 3rd and last wife was Margaret DAVIS, whom he married about 1813.
Per Calvin McLemore: Richard's first wife was most likely Peggy, (Unknown maiden name), who was the mother of Richard's first son Benjamin, she may have also been the mother of daughter Patsy (or perhaps Richard's 2nd wife was Patsy's mother).
Per Calvin McLemore: Richard's second wife was most likely the mother of Henceley, in order to explain his unusual given name, I am proposing Betsy Henceley as the 2nd wife of Richard. She was most likely the mother of Nancy, Henceley, Kelly Greern, Spencer, Linny, Blackwell and Bird, "and possibly Patsy".
Per Calvin McLemore: 3rd and last wife of Richard Stegall was Margaret DAVIS. Margaret Davis was born 1801 and seems to be in the picture from the mid 1810's through 1850. She was age 16-26 in 1820 Pendleton Dist. with husband Richard. Margaret was 30-40 in 1830 Pickens with Richard, 40-

Stegall Families
(My husband's branch from Pickens County, South Carolina)

50 in 1840 Roane Co., TN with Abel Williams. Margaret was age 49 in 1840 Roane Co., TN Census with Susan Williams. Margaret Davis Stegall is most probably the mother of Susan and Richard Artemus, although the age spread of 12 years between Margaret and Susan needs to be resolved.

Richard was found on 1820 and 1830 census and on March 1831 sold his land in Pickens Co. SC to his children. In Oct. 1836 his estate was being settled. These two sets of court actions provide lists of his children and some grandchildren. His wives are addressed after his children.

SOME OF THE FOLLOWING INFORMATION WAS GIVEN TO ME BY FELLOW STEGALL RESEARCHERS JOHN STEGALL OF SANDY HOOK, KY. (HIS ADDRESS APPEARS AT THE BOTTOM OF THIS PAGE), CARLTON MEASELS OF DESHA, AR. (LINK BELOW), Norma Miller, Calvin McLemore (and others where noted): This Stegall family "may have" originated in England. This known Stegall family begins with George Stegall, Jr. (born ca. 1733) and his wife Agnes Bottom. They had at least two "known" sons: **Richard Stegall** (born July 4, 1754) and **Bottom Stegall**, and possibly **Aaron Stegall**, (b. ca. 1754), who is said to have married Mary Ann MIZE (daughter of Stephen and Avis (Wray) MIZE), and possibly there was another son named **John Stegall** (b. 1758, VA; died 1838, NC) who married **Susannah Short Bennenfield** (b. 1761, d. 1873 VA) - Georgie Stegall provided the following information on John's children (there were possibly many more):
1. Frederick Stegall (b. 1788 VA, d. 1869 IL). He married Sarah Susannah Warren (b. 1792 VA, d. 1869 IL). They had the following children: Solomon (b. 1812 OH, d. 1899 IL), Susannah (b. 1814 OH, d. 1905 IL), Nelson (b. 1816 OH, d 1892 IL), Polly Ann Stegall (b 1821 OH), Ambrose (b 1824 OH, d. 1875 IL), Fred (b. 1827 OH, d 1896 IL), and Sarah Jane (1829 OH, 1898 IL).
2. Thomas Jones Stegall (b. 1792) twin
3. John Bayley Stegall (b. 1792) twin. He married Ulah Short.
4. Mary Ann Stegall (b. 1796).
5. Wiley Short Stegall (b. 1801 NC, d. 1850 IL). He married Rachel Spade. Amongst other children that are unknown, he had a son Wiley Wyatt S. Stegall (b. 1820 OH, d. 1904 IL).

Richard Stegall, (son of George Jr. and Agnes Bottom Stegall) was born July 4, 1754 in Brunswick Co.?, VA (*Note: there may be some questions about wives... but new info. has been added where noted by Cal McLemore...*) possibly married first to Peggy Unknown, married 2nd about 1785 to Betsy Henceley, and definately married (a third time) to Margaret Davis. (Margaret was named as widow in when his will was "filed" but does not mention her before then...).

The following was provided by Norma Miller (*Thank you Norma*!)
Richard Stegall's S.C. Will, dated 16 March 1831, and found in Pack 90, Clerk of Courts Office, Pickens Co., S.C. mentions the following eleven children:
Bird, Spencer, Blackwell, Linny Yancy *(2 ch: Elizabeth and Baylis Yancy),* ***Artemus, Susan, Benjamin, Kelly, Nancy, Patsy Denny*** *and five children of his son* ***Hensly Stegall****, deceased.*. He does not mention a wife. When the will was filed, it mentioned widow, Margaret and nine children to wit, Benjamin, Patsy Denny, Nancy, Kelly, Birdwell, Blackwell, Linny Yancy, Richard A. Stegall, Susan Williams and two children deceased, Hensly and Spencer Stegall. Spencer Stegall died leaving a widow Sarah Stegall and seven children to wit: Hensly, William, Robert, Peter, Elizabeth and two other names unknown. Richard Stegall, Senr. was helpless about 11 years before his death and could not walk.

Benjamin Stegall appointed Kelly Green Stegall his lawful attorney in matters of his father's estate. Kelly Green Stegall assigned those rights to John Bowen. Margaret Stegall appointed William Holcombe as her attorney. Nancy Stegall, Lumpkin Co., GA, appointed her son, George W. Stegall as her lawful agent. George W. Stegall assigned rights to John Bowen. Richard A. Stegall and Abel Williams appointed John Bowen their lawful attorney.

ELEVEN "KNOWN" CHILDREN OF RICHARD STEGALL:

1. Benjamin Stegall - born 1776, VA.
Benjamin Stegall and his brother Kelly both married at Huntsville, Madison, Co, AL which was the Mississippi Territory at that time. (In 1811 Benjamin appeared in index for Madison Co. AL pre-statehood index). 1830 Census info.: Madison Co., AL was age 50-60). Afterwards, Benjamin lived Lauderdale Co, AL (Census info: Lauderdale Co., AL age 60-70). Benjamin died after the 1850 census sometime between 1850-1860. In 1850 he gave his age as 74 (?) and place of birth as Virginia. Benjamin Stegall md 1st Patsy McFarland 4/6/1812 MS Territory (Huntsville, AL), and md 2nd Nancy Tripton 1/19/1829 in Lauderdale Co, AL. Nancy Tripton Stegall was living with her son Edwin G.B. and his wife Amanda during the 1860 census.
Benjamin had the following children: Kelly b.c.1816 TN married Elizabeth Latey in Lawrence Co, AL; William b.c.1821 TN; Joanna b.c.1825 AL md a Hines; Edwin G.B. b.c.1832 AL md Amanda (last name unknown); and Sarah Rebecca b.c.1835 TN md McKinney Oldham in Lauderdale Co, AL. These children are named in Estate Settlement papers after Nancy's death.

(Info. provided by Norma Miller and some info. provided by Cal McLemore (July '97)

(Cal McLemore notes: There is a very large gap between Benjamin (b. 1776) and Nancy or Henceley (1784) which raises several thoughts. (A) This Benjamin is not the "correct" Benjamin. However this Benjamin and his brother Kelly Green seem to have moved about together. So for now it appears that the gap in births is real. (B) Benjamin and Nancy had the same mother and we have not yet uncovered the siblings between them. But if they survived to adulthood, they would be included in Richard's land sale and estate settlement. So this is not a very likely possibility. (C) Benjamin and Nancy had the same mother and the children in between them died (possible). (D) Benjamin could be from a first wife and Nancy from a 2nd wife (also possible).

2. Patsy Stegall married a Denny before her father's land sale in March 1831 (from Cal McLemore). (no other info.)

3. Nancy Stegall (info. provided by Cal McLemore) - born 1784-1790 (15-26 in 1810 Pendleton Dist.; 26-45 in 1820 Pendleton (listed with 2 children less than 10 yrs. old); 40-50 in 1830 Pickens (listed with 2 additional children age 5-10); 50-60 in 1840 Lumpkin Co. GA with son George(who was born 1819 - according to the 1850 census). Probably died before 1850 since she is not with son George on 1850 Census, but since George is single and living with other singles, she could be elsewhere. She is listed as "Nancy Stegall" in her father's 1836 estate settlement. So either she married a Stegall between 1810-1820 who died before 1820, or she never married...although she appeared in 1830 with two additional children ages 5 to 10.

4. Henceley Stegall (b. 1784-1794; d. 1826, S.C.) appeared with his father in 1810 census age 16-26 and was age 26 - 45 in 1820 Pendleton census.
According to *Cal McLemore*, Henceley Stegall had five "illegitimate children according to his father's

estate settlement documents file 3 Oct. 1836 in Pickens Co. SC. He died before 10 July 1826 when his will was filed in Anderson Co. SC. His will mentions Fanny Holeman as woman he now lives with and the children he had by her were: Spencer, Caroline, Mary, Elizabeth and William Warren Stegall (more details below).
Fanny Holeman was listed on 1820 census as being born before 1775 (making her substantially older than Henceley - she may have remarried or moved on).
Henceley and Fanny Holeman Stegall had five "known" children in Pickens Co. , S.C.: (1) Spencer Stegall (b. 1810) who married Mary Ann Couch; (2) Caroline Stegall (who married a Payne); (3) Mary (or Caroline?) Stegall (who married a Grant, a lawyer); (4) Elizabeth "Betty" Stegall (who married a Sutterfield); and (5) William Warren Stegall.
My husband's line begins with Spencer who married Mary Ann Couch about 1835 in Pickens Co., S.C.

5. Kelly Green Stegall (also possibly seen as Thelly and/or Terrell?) was born 1790 (appeared with father (40-50) and Kelly was age 16-26 in 1810 Pendleton census). Kelly lived in Mississippi Territory, Limestone Co, AL, Madison Co, AL, Lauderdale Co, AL and, apparently, Lincoln Co, TN. Norma Miller is a descendant of Kelly Stegall - and provided this information on Kelly and Benjamin! (*Thank you Norma!*)

Also Cal McLemore is a descendant of Kelly Green Stegall through his daughter Mary, (b. 1812, TN), and would like to know more about him - if anyone has any info. on where Kelly was in 1850 (death or moved?) please contact Cal!

"*Kelly and Benjamin Stegall both married at Huntsville, Madison, Co, AL (which was the Mississippi Territory at that time). Afterwards, Kelly's brother Benjamin lived Lauderdale Co, AL. Benjamin died after the 1850 census. Benjamin gave his age as 74 and place of birth as Virginia.*
Kelly Green Stegall married Nancy Wilbourn Jan 13, 1810 and divorced her Aug 10, 1827 (Divorce Petitions, Acts of 1826-1827, Limestone County, AL). Known children were Mary and Richard. He later married Frances Bethany. I've been told that other children of Kelly's were Sarah Rebecca, Edwin, William and Iona.
Kelly is not listed in any census that I can find in 1850, so I assume that he died before that census."

Kelly Green Stegall had children, Mary b.c. 1812 who married Briggs McLemore 9/18/1832 in Lauderdale Co, AL, and Richard. He may have had other children that I'm not aware of - these children were mentioned in a guardianship bond in Limestone Co, AL.

6. Spencer Stegall, was born about 1794. He appeared as age 16-26 in 1810 Pendleton District census with father as head of household. Spencer also appeared in 1820 Pendleton Dist. census as head of household age 16-26; 1830 Gwinnett Co. GA Census age 30-40.
Spencer Stegall married Sallie Conger (b. abt. 1794-1800). (per Cal McLemore: Spencer was alive for his father's 1831 land sale, but deceased by the Oct. 1836 filing of his father's estate settlement, and in 1840 Sarah was listed as Head of Household with a daughter age 0-5. So Spencer probably died about 1834-36. Had 7 children listed in father's estate settlement as Hensly, William, Robert, Peter, Elizabeth ("Betsy"), and 2 others - twins Narcissa and Margret).
Per Cal McLemore: The census records for 1820, 1830, and 1840 list only three sons all born 1810-1820 - the fourth son is not listed anywhere. However, a total of 7 children (3 males, and 4 females) can be inferred from the census. Could Hensly be a female?? Seems doubtful, but something doesn't work here...

7. Linny (Lindy/Malinda?) Stegall - located on 1810 Pendleton Dist. census with Richard as a 10 -

16 year old female (but it could be Linny or Patsy).
From information found in Richard Stegall's will, Linny married Miles Yancy and had two children by 1831: Elizabeth and Baylis Yancy.
Per Cal McLemore: The transcript of her father's land sale of 1831 states that "The share for Linny Yancy to go to Bird and Blackwell Stegall in trust for her two children to wit: Elizabeth Yancy and Baylis Yancy. Said property not subject to any debt of hers or of her husband or future husband she may have." Cal speculates that Linny may not have been on good terms with her husband or possibly separated from him. Richard may have been conveying the property in trust to her to ensure that the resolution of her domestic situation would not affect her title to her property. If she had left Miles before 1830, then the 1830, 1840 census entries for Miles Yancy could be another wife. These entries show a wife named Catherine 1810, S.C. Thomas 1835, SC and Andrew 1837, SC. In 1830 Miles and Catherine had no children and perhaps were not married (since the land sale was in 1831 and Linny seemed to still be married, perhaps this unclear situation is the cause of the unusual wording in the land sale? This also would indicate that Linny had two children in 1822 and none between 1822 and 1831, which also seems strange. However, if Miles and Linny were separated shortly after 1822, but maybe still legally married in 1831, then it could be explained.
Per Cal McLemore: Another scenario for Linny could be that she was married to a Dabner Yancy instead of Miles which results in the following: Born 1794-1800 (10-16 in Pendleton SC with father, 30-40 in 1830 Pickens Co. SC with Dabner, 40-50 in 1840 Pickens Co SC with Dabner). In the 1830 Pickens census, Dabner Yancy had six children listed - including a male and female that match the 1822 birthdates for Elizabeth and Baylis. Since Richard's land sale specifically mentions 2 children, it may be that the other children listed with Dabney are not by Linny. However, since there are children both born before and after Elizabeth and Baylis in 1822, this scenario seems unlikely. Unfortunately Cal says he has been unable to locate Dabner in 1850 or later which could prove his wife's name.
NOTE - In 1850 Lumpkin Co. GA, a William Booth and his wife Eliza (age 28, born SC) have children and a Baylis Yancy (age 28, SC) listed with them. From this it appears that Elizabeth and Baylis are twins b. 1822, SC. Cal says he has been unable to positively locate Linny herself anywhere in the census.

8. Blackwell Stegall (b. abt 1797; d. 1860): appeared as age 10-16 in 1810 Pendleton with father; age 16-26 in 1820 Pendleton Dist. as head of household; 30-40 in 1830 Pickens Co.; 40-50 in 1840 Lumpkin Co., GA and age 53 in Cass Co., GA census).
Blackwell married Sally Chargal. Blackwell was named for family friends in Lunenburg Co., VA. In 1839 Blackwell and Sally moved to Dalonega, GA in 1839, where he died in 1860. He was originally buried in Bartow County, GA and his remains were removed to some place in Tennessee by relatives when Allatoona Lake was formed.
Blackwell and Sally STEGALL had these "known" ten children:
(1) Emsley Stegall (b. 1812, S.C.; d. 1888) who married Sarah Allen Lackey (1806-1897). Their children were Robert, John Patterson, Wallace and Mary.
(2) John Stegall, (b. 1820 in Spartanburg, S.C.) who married Elizabeth Fitzsimmons (1828-1898). Believed to have gone with his brother Henceley to Calif. to mine gold in 1852. He returned to GA (Cherokee/Pickens Co., GA) and raised a family. Their children were: Saphronia "Gallie", Charlotte, John Henry, Andrew, Mary, Sarah Elizabeth "Babe", Charles Elyer, Cicero "Sid", and Martha Jane Stegall. John and Elizabeth Fitzsimmons Stegall are buried in the Long Swamp Cemetery in Pickens Co., GA near Marblehill, GA.
(3) Henceley Stegall (d. 1882) who married Cannie (Carmi?) Winterstein. Henceley is said to have gone with his brother John to California to mine gold in 1852. He died at Woodland, Calif. (There is no record of them of them ever having children).
(4) Patsy "Martha"? Stegall (who married 1st to Henceley Stegall (a cousin), married 2nd to James M.

Brooks on 18 August 1840.
(5) Mary Stegall, married a Harry Thomas.
(6)Margaret Stegall, married Ross Lawhorn (Editor of the Dalonega (GA) Signal.
(7) Harriet Stegall, married Riley Payne.
(8) Sallie Stegall, married Fleming Cox who worked for the Western and A Atlantic R.R. He was the fireman on the Locomotive "Texas" which pursued the Great Locomotive Chase when it was stolen by Andrew's Raiders during the Civil War. He died about 1900 in Macon, GA. They had a daughter Susie who married a man named Norman.
(9) Jane Stegall (twin-b. 11 June 1837; died 11 March 1923), married but do not have name of her spouse.
(10) Tandy Stegall (twin-b. 11 June 1837; died in Atlanta), joined the Confederate Army on 10 Aug. 1861 as a Private. He was wounded at Fredericksburg, VA on 13 Dec. 1862, causing the amputation of a leg. He was captured at Marietta, GA on 22 June 1864 and was put on unlimited furlough on 28 Feb. 1865. married a Miss Carmichael (no children are known of this marriage). Tandy died in Atlanta soon after the war.

Richard Stegall (b. 4 July 1754) and second wife Peggy Gillespie had the following children together:

9. Byrd Stegall (b. abt. 1799 in S.C.): Per Cal McLemore: Byrd Stegall appeared as ag 10-16 in Pendleton Dist. with his father; 16-26 in 1820 Pendleton Dist. as head of household; 30-40 in 1830 Pickens Co. SC; 40-50 in 1840 Gwinnett Co., GA; 1850 Cobb Co., GA Census lists his ("Bira") age as 51; Abergell age 46; Nancy age 13; and Narcissa age 11.
Byrd Stegall married Abbey Conger (possible dau. of Benjamin Conger who was next door to Byrd and Abbey in 1840 Gwinnett Co. GA census). They moved to Georgia, where he supposedly operated a distillery. They had these "known" children: (1) Richard; (2) Susan; (3) Annie; (4) Millie (5) Eliza, who married Charles Elyea *(Calvin McLemore adds: "In 1850 Cobb Co. GA census a Charles Ellier and wife Eliza, age 25?, are listed and a Mary Stegall (age 70, b. SC) is also listed with them - can anyone identify who this Mary is?")*; (6) Henceley and (7) Frank Stegall. I have no further info. on these children at this time.

NOTE***(I HAVE FOUND SOME CONFLICTING INFO. ON THE SEVEN CHILDREN LISTED ABOVE). UNTIL THE MATTER IS CLARIFIED, PLEASE DON'T ASSUME THIS IS CORRECT!

10. Susan Stegall - per Calvin McLemore: was born 1813. She was listed as age 0-10 in Pendleton with father, 10-15 in 1830 Pickens with father, 20-30 in 1840 Roane TN with husband Abel Williams. She was 37 in 1850 Roane Co., TN as head of household. In her father's 1831 land sale, she is listed as Susan Stegall, and in his 1836 estate settlement she is listed as Susan Williams. In 1838, Abel Williams and Richard A. Stegall as heirs of Richard Stegall, deceased, appointed John Bowen as their attorney. So between 1831 and 1836 Susan married Abel Williams. Based on the ages of their children on the census, I think they married about 1834, but it could have been a year or two earlier. In 1850 Susan is the head of household with a young son named Abbe born 1848, so I assume Susan's husband Abel died about 1848-50. Note that Margaret Davis Stegall, the third wife of Susan's father Richard, is with Susan in Roane Co., TN in 1840 and 1850. However, if their reported ages in 1850 are correct, (Susan 37 and Margaret 49), Susan cannot be the daughter of Margaret. However the 1820 census seems to indicate that Richard and a new wife (Margaret Davis) are starting a new family (which would be Susan and Richard Artemus). Cal asks: "Does anyone have any 1860 info. on either of them to check on their age difference?"

11. Richard "Aretmus" Stegall born 3 Jan. 1814; died 3 March 1866.
Cal McLemore notes: He appeared as age 0-10 in 1820 Pendleton Dist. with father; 15-20 in 1830 Pickens with father; 20-30 in 1840 Roane Co., TN as head of household. I can not locate him on 1850 or 1860 census - has anyone found him then?
Richard "Artemus" Stegall was mentioned in his father's 1831 land sale as "Artemus" and in his father's 1836 estate settlement as "Richard A. Stegall". He was mentioned in father's will as "Artemus".
He married 1st to Suzanna Roberts (b. 1825) - they had no children.
Richard "Artemus" married a second time to Elizabeth Roberts (b. 1812, d. 1890) and had the following children with her: Micha Sellars, Richard Artemas, William Green, Sidney Roberts and Charles Elyeas STEGALL.

There is slight "possibly" that Richard Stegall (b. 1754) may have had another son named Farrow. Farrow's children were George and Thomas. I can not locate where Farrow's information came from (at this time) and he was not mentioned in Richard's will - so please do not assume this is Richard's child (yet). Just thought I'd mention the name in case anyone comes across this name and might know the connection...???

OTHER STEGALL RESEARCHERS

• 8 Jan 1998 - Pepper Thompson (thompson@magnolia-net.com) is descended through Joseph STEGALL who I believe is the grandson of the MOSES STEGALL b. ca 1735. I would like to exchange data with anyone who is interested. My STEGALL line came to Union Co. Arkansas about 1890 and I have collected a great deal of information. I would like to know the connection of my Joseph to Moses, have several ideas, but no concrete evidence. I record all I can find on STEGALL's, I also am interest in the HASTY line that intermarried with the STEGALLS. Thanks, Pepper Thompson.

• 5 Dec 1997 - Lafnhawk1@aol.com Looking for:
1. Nathan Griffen Stegall b. between1770-1800 (thought to be born in NC) Married to Mary Wren (maiden name?) Stegall.
2. Martha Ann Stegall b. between 1803-1833 in NC Married: Leonard Lane Jones b NC between 1790-1833; children: Pearl Rebecca Jones b. 1848 in NC (exact location unknown) (this is the only KNOWN date I have for any of this family) and Sarah Jones.
This family is supposedly from NC, but I haven't found any record of them there. They are also supposedly full-blood cherokee but, again, I cannot find them on any of the roles. If you happen across any info on them, would you please let me know? thanks, lafnhawk1@aol.com

• 21 Nov 1997 - Carissa (ArCarrie35@aol.com) says she is descended from a line of Stegalls and is attempting to find information on them. This is what I know....
Perry Presley Stegall b. 1855 Arkansas m. Mary V. ? b. Tennessee 1858 , abt 1875

1900 census for Jackson County Arkansas shows them with 3 children:
Melzie Melton b. 1879 (my great grandfather); Cora A. b. 1883; Pearl P. b. 1887

Melzie Melton Stegall m. Virgie Bruton (her parents were David Pettit Bruton and Martha Jane Prince). Their children were: M.L., Vera, Margie, Ethel, Juanita and Perry b. September 12, 1908 d. 1978 (my grandfather).

Family history says that my Stegalls immigrated from Germany at some point in time..... I also was told that somewhere in Arkansas there once was a town named Stegall, named for my ancestors. I have no idea if this town is still in existence. I would appreciate any information on this line! Thanks! Carissa, arcarrie@aol.com

- 4 Nov 1997Joan Robinson (m2688@webtv.net) is also researching the Stegall family . My husband is a Stegall descendant and I have almost all of the same info you do. It starts with Richard Steggall born in 1754 and ends in present. My husbands family started with Richard Steggall. then Hencley Stegall, Spencer Scorcher Stegall, Patrick Stegall, Reuben Bruce Stegall and his mother Doris Stegall Robinson. I have a lot of information about the Stegalls from Richard to present day and would be happy to share my info with anyone who is looking for help. Joan Robinson.

- 29 Oct 1997 - John W. Hancock (jwhancoc@flash.net) has the following Stegall connections: I am doing a little research on the Stigall/Stegall Family Line. Looks like there might be some connections here. My mother, Alta Jane Stigall, was a daughter of James Samuel Stigall and Martha Brown. The lineage, as I understand it, goes al the way back to William Steagall who came to America on the Plaine Joane or Jane (ship). The lineage, as I understand it to be, is as follows:

1 William Steagall (Spouse: Unknown)
2 Samuel Steagall, Sr. (Spouse: Elizabeth)
3 Samuel Steagall, Jr. (Spouse: Jane)
4 John Steagall (Spouse: Winnifret)
5 George Steagall (Spouse: Mary Bottom)
6 Bottom Steagall (Spouse: Unknown)
7 George S. Steagall (Spouse: Catherine Atkins)
8 Drinkard Steagall (Spouse: Susannah DeHart)
9 Lewis Steagall (Spouse: Mary Ann McMillian)
10 Gideon Stegall (Spouse: Rebecca Brown)
11 James Samuel Stigall (Spouse: Martha Brown)
12 Alta Jane Stigall* (Spouse: Walter Manuel Stigall - James Samuel's Brother)

* Incorrectly carried in the records as Alta Jane Brown

There were four boys and one girl born of this last "marriage". Walter died in 1950/1951 and Alta Jane Stigall later married my father, Roy Emerson Hancock (in 1953).

Any information that we can swap could be useful to our efforts. I should point out that I am working with my sister Laura Thelma (Stigall) Lorton, and a couple of cousins, Emma Jeane (Stigall) Reedy, Tina Marie Fishell (Dkbtmf@aol.com) and Pat (Maddox) Young (Vellepy@aol.com) and we are common only down to the 11th level. The 12th level, shown above, is particular to my sister and I.

• 16 Jun 1997 - Calvin "Cal" McLemore is a decendant of Mary Stegall (b 1812), daughter of Kelly Green, son of Richard Stegall.

• 14 June 1997 - Joseph F. Stegall has researched the family for over 25 years, and has the following information to share:

I descended from the Moses Stegall of Anson/Union Co. NC, through son Jeremiah Green who moved to MS in early 1830s.

Recently, I visited Suffolk Co. England and searched through old parish records in the Record Office at Bury St Edmunds. I was encouraged to go there by finding from LDS info that there was a sizable concentration of the family in Suffolk from as early as the 1500s. I did not find my Moses, or anyone who I could connect to him, but I did find several Moses Stegalls there in late 1600s and early 1700s.

I would be willing to share information with others interested in our English roots.

• 25 May 1997 - Mary Alice Stegall McEwan of Gainesville, FL is a descendant of the following Georgia Stegall family and offers the following information:
I have worked on the Stegall family about 7 years- I haven't connected them with anyone outside of Ga. Jeannette Holland Austin's book "The Georgian's" connected my Benjamin to Richard Stegall of S.C. I do not have any proof and she will not reply to questions. The book "Gone to Georgia" pg 292 list Richard Stegall purchasing land in Elbert Co. May 25, 1792.
BENJAMIN STEGALL born 1774 S.C. died after 1863- was living in Washington Co. Ga in 1805. John Stegall and Benjamin Stegall were listed on the 1805 land lottery. I do not know if they were brothers, Father/son. They owned ajoining land in Pulaski Co. John Stegall had two draws indicating he was married. Benjamin Stegall had 1 draw indicating he was single. Benjamin and John bought and sold land, paid taxes, witnessed deeds and had jury duty between 1810-1828 in Pulaski Co.,Ga. Nancy Stegall married Wright Manning March 21, 1819 (do not know if this was a daughter of John). John Stegall wasn't on the census after 1820. Benjamin Stegall moved to Lee Co, Ga. before 1836. He is listed on the 1840 and 1850 Lee Co. Census and 1860 Terrell Co. Census. *The 1850 Lee Co. Census list him as 74 years old and borned in South Carolina* and his wife Nancy age 70 and was born in N.C. In the 1860 Terrell Co census, he is living with his son John and is listed as 80 years old and born in North Carolina. (I not sure of which is correct-I feel the S.C. is correct since in 1850 he was head of household and probably gave the census taker the information). After 1860, the familes of John, Frances, and Nancy moved to Miller Co. Ga and the families of Mary Stegall Giddens moved to Worth Co. Ga.

• Charles B. Stegall (26 Mar 1997) - CFBX30A@Prodigy.com - is a descendant of Moses Stegall and presumably farther up to Sam Jr., Sam Sr. and William Stegall. Most of his family migrated to Anson and Union counties in NC. Charles says he has been fairly succesfull in my search, however, has been unable to make any definite ties beyond Moses. It has always been assumed that the family came from England, however, he has also found Stegalls (various spellings) in Germany and Austria. Where did we come from? At any rate, he would be glad to share data with those who might be related to his line.

Galesburg area). She has quite a large data base now on that branch. Please contact Georgie regarding research on Stegall's from Knox County, Illinois. Georgie provided the information (see above) on John Stegall (b. 1758, VA, d. 1838, NC) and his wife Susannah Short Bennenfield (b. 1761; d. 1873, VA) and their children - *Thank you Georgie!*
Georgie has further information on John and Susannah Stegall's son Frederick Stegall (1788)'s whose son Nelson was born in 1816. Nelson married Elizabeth Bowman (b. 1816 OH). Nelson had been a soldier in the War of 1812 and secured a tract of government land (Bounty Lands for Veterans of War of 1812) and engaged in farming. Three brothers Frederick, Solomon, and Ambrose also came to Illinois. (#5) Wiley Short Stegall came and settled in nearby Warren County IL.
Nelson and Elizabeth had approximately 16 children (15 natural and one adopted). Our line has descended from their son Edward (b. 1862, IL) who married Mary Cleora Smith (b. 1864 KY, daughter of Mack Smith and Ellen Hickman). Her parents had come to Knox County to engage in farming.
If anyone is researching these lines, she has detailed information on Nelson and Elizabeth's descendants and some information on the descendants of Wiley S. Stegall. She does not have anything further on the twins or Mary Ann. (Note: According to land records, a Thomas Stegall (?) also came to Saline County IL at about the same time. This could possible be one of the twins.)

• Amy Stegall (23 Mar 1997) has been searching for Stegalls for many years and says she unfortunately has run into a couple of dead ends. Her branch extends from Stegalls located in the areas of Illinois, Idaho, Iowa, Ohio, and Kentucky - at least as far as she can tell. She begins (at this time) with Nelson Stegall, who died in 1893 in Illinois. He married Elisabeth Bowman. They were both natives of Ohio, and Nelsons father had served in the war of 1812. Nelson had three brothers: Frederick, Solomon, and Ambrose, who also moved to Illinois. Edward Stegall (Nelson's son) stayed on the farm after his fathers death, and married Mary Smith in 1881. Edward and Mary had 14 children: Mack, Ellen, Elisabeth, Martin, Alicie, Ray, Verna, Harvey, Martha, Ada and Vada (twins) Claude, and Nelson. So, if anyone has further information they would like to share, she would greatly appreciate it.

They were the parents of Ralph Joseph Stegall b. 1868 Thomasville, GA. Preston hopes he can connect to the early Stegalls... and says his line was in NC,GA and WV.

Featuring the Descendants of Daniel Blevins, Jr, born ca 1735 in Rhode Island, Maryland, or Virginia. If you are a Blevins with Southern Ancestors, we would like to hear from you about YOUR family.

We are also interested in the descendants/ancestors of William Austin 1750-1760 VA, NC or MD, died in Anderson Co, TN 1802, married to Mildred "Milly" Dalton(?).

We are always interested in hearing from descendants of the following lines which are mostly from Southside and New River Valley area of VA and NC: AUSTIN, ADKINS, BLEVINS, BRIDGES, COUNTISS(ESS),EMMET(T), HENRY, MONTGOMERY, TROXELL, FARRIS, HENDRIX, NEAL, STIGALL & MUSE.

Most of these families migrated from/to: Virginia, North Carolina, Tennessee, Kentucky, Alabama through the early 1800's. For that period, the gathering point for all these families was the TennAlaGa area (present day Chattanooga Metro area). The primary counties included Bledsoe, Marion & Hamilton in Tennessee, Jackson, & DeKalb in Alabama, Dade, Walker & Catoosa in Georgia.

This file has been a work in progress for over 25 years, primarily through the efforts of W E "Bill" Emmett, Jack Dalton Reynolds, Irene Austin House, Harold Ray Blevins, Bill Dewayne Blevins, Janet Austin Curtis, Roy Levi Ketner, Opella Boydston Smith, Hans Blevins and Charles Austin as well as others too numerous to mention.

• Most of this information has been given to me by a Stegall researcher named John A. Stegall, who can be reached by mail at this address: H.C. 70, Box 475 (Stegall Road) , Sandy Hook, KY 41171. He also is working on the following surnames: DeHart family of Virginia and Kentucky, also Carter, Pennington, Kegley, Catron, Shelton and Conn families. He would be delighted to hear from anyone working on these related lines.

• Norma Miller, of 2612 Clifton Drive, Huntsville, AL 35803, is a descendant of Richard Stegall's son Kelly Stegall who lived in Mississippi Territory, Limestone Co., AL, Madison Co., AL, Lauderdale Co., AL and Lincoln Co., TN. Thank you Norma for the information on your Stegall line!

• Cornelia B. Holland is researching Edward and Martha Bobbitt Steagall Franklin Co. NC c. 1820. Their sons were Thomas Turner Steagall and Henry Farrah Steagall. Martha Bobbitt was the dau. of Turner and Elizabeth Bowden Bobbitt. Elizabeth Bowden was the dau. of John and Judith Farrah Bowden. Have been unable to learn anything about the ancestry of Edward Steagall.
Henry Farrah Steagall mar. Delia Peck dau. of John and Temperance Crawford Peck of Weakley Co. TN c. 1850. He moved to Gonzolas Co. TX c. 1852 and to Santa Barbara, Brazil 1868. I am helping Thomas Steagall of Santa Barbara, Brazil research his family on this side of the equator. I am not related to the Steagall, but Thomas and I have a common ancestor in Lazarus Crawford, the father of Temperance Crawford Thompson Peck.
Would appreciate any suggestions you can provide as to ancestry of Edward Steagall. Thomas of Brazil said Edward Steagall was born in Halifax Co. NC, but I don't know if that was from family lore or if someone had told him that recently... Also, the family in Brazil lost touch with Thomas Turner Steagall's family. Letters written after the Civil War indicate he was a merchant in New Orleans. They would like to resume contact with his ancestors.

SOME STEGALL RESEARCH RESOURCES AND MISC. INFORMATION:

- From *Roberts Families of Roane County, TN* by Snyder E. Roberts, under "Miscellaneous Roberts Families in Roane Co." the following Stegall information was found by patiemac@liffey.infohwy.com - who isn't a Stegall researcher but provided the following Stegall information for this page (*Thanks Pat*!):

Littleberry Roberts:
Roane books show that he sold land..... to RICHARD A. STEGALL in 1840. Littleberry's daughter, Elizabeth (1813) married (12/2/1834) Richard A. Stegall (1814) who was a wealthy slave holder and land owner on Riley's Creek south of the TN. River. [names children].
Littleberry Roberts, Sr. was a native of SC. He married Susan Davis (1787) who was d/o SURRY DAVIS, RWS, who died in Roane Co. TN in 1819. Littleberry was on Roane Tax rolls as early as 1822.

- I ran across some information (Tennessee State Library in Nashville, TN) and jotted down the following information from a book called "*A History of the Pioneer Families of Missouri*" by Wm. S. Bryan and Robert Rose, (page 206) - there is information under Families of Warren Co., Missouri as follows:
"John BIRD and his wife Sarah HARVEY lived and died in Franklin Co., VA. They had a son named Bartlett BIRD who married Jane JAMESON by whom he had Mary, Edward, Abner, Marshall and Sally. Mary BIRD was first married to Henry MORRIS, who died in Virginia. She then married ***Richard STEGALL*** *who settled in Warren Co., Missouri, and afterward removed to Jackson Co. and now resides in Texas." Unfortunately my notes contained no dates...*

- "Long Ago in Lunenburg on Stony Creek of the Meherrin", by June Banks Evans - Has information on 18th century Stegall families.
Note: June Banks Evans doesn't mention my Richard Steagall (b. 1754) anywhere in the genealogy. It is very possible that our lines are related, but I don't believe I have enough information at this time make a clear connection. There are so many similar repetitive names - **"maybe" with everyone's help, we can figure this out!**

In June Bank Evans' book, she says that there were two George Steagalls, father and son. George Sr. (b. ca 1700) married Mary Bottom (dau. of Thomas Bottom of Amelia).
George Sr. moved to Brunswick Co. VA about 1755, and died in Lunenburg Co., VA.
George and Mary Bottom STEGALL had seven children:

1. George Jr. (b. ca 1733) who married Agnes "Unknown" about 1753 and moved to Brunswick Co., VA abt. 1760. Their children were: Aaron, b. ca. 1754, who is said to have married Mary Ann MIZE, daughter of Stephen and Avis (Wray) MIZE; and John, b. 7 July 1758, who married Susannah (Short) Bennenfield (dau. of Jacob Short and widow of Thomas Bennenfield). Georgie Stegall is researching this line through John's son Frederick.

2. Samuel (b. 1731) who married Jane Unknown and resided in Halfix Co., NC and Brunswick Co., VA. He died prior to June 1795.

3. Thomas (b. ca 1737) married Elizabeth (Unknown) Ingram (extrx. John Ingram, Jr.). He died prior to October 1820.

4. William (b. ca 1739) - no other info.

5. Amy (b. ca 1741) married Burwell Rives and moved to Pittsylvania Co., VA pre 1769.

6. Mary Magdeline (b. ca 1743), mar. in 1761 to Frederick RIVES and moved to Pittsylvania Co., VA pre 1769.

7. Bottom (b. ca 1745; died Brunswick Co., VA). Will recorded May 1811.
He had three known children (from will): Mastain, Dancy and George.
Mastain married Fanny Dickson. in 1793; Dancy married Sarah Unknown, and served in the Rev. War, 15th Reg., Capt. John Isham's Co., Montgomery Co., VA.; and third child George, who married in Brunswick Co., VA to Catherine Atkins on Nov. 25, 1800. George and Catherine moved to KY ca. 1825.

Please let me know if you know of any additional Stegall research books and and/or resources and I'll be happy to add them here!
